

Hors d'oeuvres can be an excellent compliment to the pre-meal cocktail reception, or as elaborate and bountiful to take the place of a full meal. For an extra special touch, ask your caterer to have servers pass the individual hors d'oeuvres.

Numbers of Hors d'oeuvres

3-5 Types:

Ideal for a pre-meal cocktail reception.

8-12 Types:

Perfect for a light hors d'oeuvre reception especially for an evening reception that starts after the dinner period (7:00 pm).

16-20 Types:

Works extraordinarily well for hors d'oeuvre reception in place of a full sitdown or buffet dinner. This would work perfectly if you are looking for an informal affair.

General Thoughts

Select a mixture of hors d'oeuvres, keeping in mind color and texture. Provide at least an estimated one per person of each kind of hors d'oeuvre you select. Some guests will take more of one and none of something else.
